

The background of the page is a light teal color with a delicate, repeating pattern of thin, winding lines and small, stylized leaves. The pattern is centered and covers the entire page. The word "Welcome" is written in a cursive font in the center of the page.

Welcome

Dear Friend

Congratulations on this coming Wedding.

I am sure it is exciting to prepare all of the wedding details.

Wedding Gown, Flowers, Cake, Place of Service...etc.

I have two daughters myself. It will be a lot to do for our loved ones.

Thank you for your interest in my work. I love shooting weddings because I see a lot of emotions to capture.

The wedding itself is already beautiful. I see people's love and God's love in this covenant! That's why I love photographing weddings.

I book only one or two weddings in a month, so that I can give full attention to each client.

I would like to show you my demo album at the consultation to explain what you are getting for each wedding collection. My goal is to create a wedding story book for you to enjoy years to come.

I hope to work with you and your family.

Happy Wedding Preparation!
